An Absolute Sort of Certainty – *The Holy Spirit and the Apologetics of Jonathan Edwards* by Stephen Nichols (230.58 NIC). “A solid and worthy contribution to Jonathan Edwards studies during the three hundredth anniversary of the great pastor-theologian’s birth. Wide ranging in its scholarship, yet skillfully focused in its exploration of the central role of the Holy Spirit in Edwards’s epistemology and apologetics.” “In this volume, Jonathan Edwards speaks his own mind, a mind committed to the wonders of the Reformed thought and its application to the church’s defense of the Christian faith. One finishes this book seeing Edwards, following Calvin, as a theologian of the Holy Spirit”.

Heroes for Young Readers: Adoniram Judson – *A Grand Purpose* written by Renee Taft Meloche (Youth BIO TAF HRYR-04). Adoniram Judson (1788-1850). **A boy named Adoniram Judson was so very smart he went to navigation school to study maps and charts. He wondered if he’d sail the seas just like his grandpa had, or be the pastor of a church and make his father glad.** When Adoniram Judson discovered for himself that God’s love is real and His Word is true, he finally found his life’s purpose. As America’s first foreign missionaries, Adoniram and his wife, Ann, left their family and friends behind and risked everything to share God’s great love with the people of Burma. In the midst of war, Adoniram translated the Bible into Burmese language so that others could discover God’s truth as he had. Now Heroes for Young Readers makes Adoniram Judson’s remarkable story available in this picture book all ages will treasure.
