Heaven – *Your Real Home . . . From a Higher Perspective* by Joni Eareckson Tada (236.24 EAR). For nearly twenty-five years, Heaven has inspired us to live well on earth, even as we long for eternity. Drawing on Scripture, Joni Eareckson Tada answers the deepest questions of our hearts about what heaven will be like, who we will see there, and who we will be there. As Joni writes in this updated and expanded edition, she is much closer to heaven than she was when she first wrote about it. It is from this vantage point that she reflects on how we can live for Jesus as we look forward to our real home. A quadriplegic for more than fifty years and a cancer survivor, Joni doesn't speak lightly when she reminds us that "God knows the precise tools to use in your life to cut, cleanse, and refine the diamond that is your eternal soul . . . Every good thing that God has ever given will last for all eternity – including the best part of every affliction." Journey with Joni into the knowledge and the mysteries of heaven, a place that is so inexorably captivating and utterly desirable that it is worth living every day in its light.

From the Lips of Little Ones – *A Study in the Catechism (for very little people)* by Jeff Kingswood (238 KIN). 73 weeks of daily Scripture readings and bite-sized lessons that address today's child, based on the Children's Catechism of 1849. For decades families have been using the children's version of the Westminster Shorter Catechism to begin the catechetical instruction of their children. Although there are many good study guides to aid parents in teaching the Shorter Catechism, very little has been written to help parents use the Children's Catechism. My good friend, Jeff Kingswood, has performed an inestimable service to the church in preparing this guide. Its format is ideal for teaching little ones the catechism and Scripture. I am looking forward to my grandchildren getting to use this tool to learn the precious truths of God's Word. ~ Joseph A. Pipa Jr., Ph.D.

God's Double Agent – *The True Story of a Chinese Christian's Fight for Freedom* by Shawn Brower (BIO FU). God's people are hiding in plain sight. Tens of millions of Christians live in China today, leading double lives to hide from a government that relentlessly persecutes them. By day, Bob Fu was a teacher in a communist school; by night, he was a preacher in an underground house church network. This edge-of-your-seat book tells the true story of Fu's conversion to Christianity, his arrest and imprisonment for starting an illegal house church, his harrowing escape, and his subsequent rise to prominence in the United States as an advocate for his oppressed brethren.
