The Forgotten Fear – *Where Have All the God-Fearers Gone?* by Albert N. Martin (231.7 MAR). The fear of God is an important theme in the Bible, yet many Christians today overlook it or treat it carelessly. Fearing God is the soul of godliness, and those who claim to love God should desire to understand what it means to fear Him. The Forgotten Fear revisits this important topic. Author Al Martin first establishes the theme of the fear of God in both the Old and New Testaments, and then he defines what fearing God means. Finally, he addresses the practical implications of fearing God, showing its expression in the lives of Abraham and Joseph and providing instruction for believers today to maintain their fear of God and even increase it.

A Love for the Lost (Trail Blazers) by Brian H. Cosby (Youth BIO COS). Life on the American frontier in the early 1700s was difficult. The English and Native Americans lived side by side, which often led to conflict. David Brainerd, however was a compassionate and fearless missionary to the Indian tribes in America. Riding on his horse across rivers and over mountains, Brainerd carried the gospel of Jesus Christ to the lost, the hurting, and the broken. In this book, Brian takes the reader on a journey from Brainerd's teenage years on the farm to his expulsion from Yale; from preaching on the frontier to his death in his late twenties. The reader will be encouraged, inspired, and challenged by the perseverance and single-minded devotion of the early American missionary to the Indian, David Brainerd.
